1. Ref question 1: Per discussions with Mr. [REDACTED], FE Air Operations, concerning the sending of a cable to appropriate FE units instructing them to utilize USAF aircraft for flights into Clark AFB whenever possible, Mr. [REDACTED] indicated that this was standard procedure and in all cases, when USAF aircraft were not used and CAT facilities were utilized into Clark AFB, regular normal clearance was obtained by CAT for landing permission.

2. Ref question 3: I have not personally checked Commercial Division, however, FE Air Officer has indicated that appropriate action has been taken.
